

Where did that year go?

We can't believe that another year has flown by! 2024 has been a very busy year for PSLC, encouraged by the great support from all our members and visitors. it's fantastic to see all ages keeping active and enjoying our fabulous facilities in the heart of the community.

2024 saw so many positive things in the PSLC including the transformation of the Martello room to a state-of-the-art Gym bringing new energy and members to the club and opening new space for classes. The pool is going from strength to strength with over 800 young people signed up for classes a new record! Padel tennis is the fastest growing sport in the world and this year we have seen huge demand for courts with all ages and levels enjoying the sport, The Tennis club is as busy as ever. Since we bought our new divider net in the hall it has given us loads more opportunities for activities.

Après cafe has created a whole new community of coffee drinkers who instead of going home after activities are now staying for a social coffee, chat and catch up with friends......

So, we look forward to 2025 when we will be raising the bar again. We will be fully up and running as a CLG in the first quarter of the new year, incredible work has been done behind the scenes on this project and it will bring us to a new level in terms of governance and opportunities for government grants.

We will be introducing our Gladstone IT system which is a leader in the leisure industry. Work is already advanced on the system and testing will begin shortly before rollout in April, Members will have a new phone app which will give priority access to booking activities and ensure you get the best rates and discounts every time. It will also streamline our back-office systems and create opportunities for much needed sponsorship.

We will be introducing a new more streamline membership structure which will simplify membership and make it more sustainable for the future of the PSLC. Huge work has been done on this during the year including consultation with key groups within the club.

We were successful with a number of grants towards refurbishments this year and in the new year will be replacing our lift, hopefully replacing our tiles in the swimming pool, upgrading some of our boilers to more energy efficient models, replacing the glazing in our windows, upgrading works on the pool roof, and working on our solar panel project to save with future energy costs to name but a few! Fingal will also be placing EV chargers in the car park for members and visitors to use.

As always, we will be looking to expand some of our activities so watch this space!

Like all business in the sports and leisure industry 2025 will again challenge us on increased costs but we know with your support we will have another solid year and be able to invest in the future of our great club.

So if you're making New Year resolutions please put the PSLC on your list, the range of activities and clubs are many and varied, Swimming, Five A Side Soccer, Tennis, Padel Tennis, Gym, Yoga, Fitness Classes, Badminton, Squash, Basketball, Pickle Ball, Bowls, Keep Active Classes, Sub Aqua, Dancing, Martial Arts, a social Coffee, Drink or PUCK Burger it's all on your doorstep at the PSLC !

Finally, a big call out to our incredible staff who are so committed to the success and future of the PSLC and who are always looking to rise the standards and encourage members on their goals.!!

So, from all the management team and staff may we wish all our members a very happy Christmas and wish you Good Health and Fitness for the new year
