

PSLC December News.

That was a busy year!!!

We can't believe that another year has flown by, 2025 has been a very busy year for **PSLC**, encouraged by the great support from all our Members and Visitors. It's fantastic to see all ages keeping active and enjoying our fabulous facilities in the heart of the Community. Would you believe we had over (460k.....) transactions through our doors!!

2025 saw so many positive things in the **PSLC** including the introduction of **Gladstone** software which will simplify our systems and help us plan for the future. We all saw the introduction of the **Members App** to ensure members get priority booking on all activities.

Since July we are up and running as a **CLG** (Company with Limited Guarantee) which brings us to a new level in corporate governance and opportunities for government grants.

Restructuring our **Membership** was a major project which was also completed, and we now have a more simple structure which is both fit for purpose better for the future of our club.

Our 3 new **Padel Courts** are on target for spring, and this will make the **PSLC** a real destination for developing the fastest growing sport in the world.

The **Pool** is going from strength to strength with over 900 young people signed up for classesa **New Record!**

Après Cafe has created a whole new community of coffee drinkers who instead of going home after activities are now staying for a social coffee, chat and catch up with friends.

The **Bar** continues to be a **Community Hub** to celebrate and catch up with friends.

The **Gym** continues to grow with extra classes for all ages and the introduction of the very popular Hyrox classes.. The Hall, Tennis Courts, Five a Side pitches, Dance studios and meeting rooms are buzzing every day.

Already big plans are in place for 2026, including, works on our Roof, Solar panels, new Lift, New Padel courts, and hopefully a major re tiling of the Pool which is over 40 years old.

So if you're making New Year resolutions, please put the **PSLC** on your list, we are a real Hub for a vast range of Activities and Clubs including Swimming, Five A Side

Soccer, Tennis, Padel Tennis, Gym, Yoga, Fitness Classes, Badminton, Squash, Basketball, Pickleball, Bowls, Keep Active Classes, Sub Aqua, Dancing, Martial Arts, a social Coffee, Drink or PUCK Burger it's all on your doorstep at the **PSLC!**

Finally, a big call out to our incredible **Staff** who are so committed to the success and future of the PSLC and who are always looking to rise the standards and encourage Members with their goals.!!
