

# PSLC July News...

There is a lot happening.....

Thanks to everyone who took the time to come to our recent EGM it was very much appreciated. Thanks as always for the very positive feedback and suggestions.

July has started off with bang!

On the 1st of July we officially became **Portmarnock Sports and Leisure Club CLG** (company with limited guarantee) this was a huge task, and we want to say Thanks to Our Staff, Treasurer Helen, previous committees and our Trustees who did so much work behind the scenes to make this milestone happen....

Also on the 1st of July we launched our new **Gladstone** operating system . This will radically change our front and back-office software and make it easier for members and visitors to book activities. We are bound to have the odd hiccup so please be patient with us. Thanks to Gavin and the team that put so much preparation into this project to make it happen. The final part will be the **PSLC App** which will be launched at the end of August.

And we launched our **New Membership** structure on the 1st.of July. We have already written recently to you with all the details and a comprehensive Q&A sheet. This will deliver clear benefits to our members. We must call out Sharna who spent endless hours on this project in terms of research, and working with members and clubs.

**Our website** is now open for **Capitation/ Membership Renewals**, the basic capitation/ membership renewal is 150 euro with the usual discount for seniors etc. and as always you can pay online follow the link on the PSLC website:

or contact reception. This is a very important source of revenue for us so we would appreciate payment asap...thanks in advance.

June was a very time in the **PSLC**, but July and August are always quieter and very challenging for us. But it also gives everyone opportunities to use some of the facilities that would otherwise be busy during the year. Check out our pool timetables which have plenty of slots available for social swims and lessons for beginners.

Our Gym has also more availability, check out our new **Small Group** training for individualised coaching, specific programmes tailored for progression for any fitness level looking to get fitter and stronger. It's for any experience and age. Also watch for more exciting news from the GYM team shortly.

**Padel** is a fast-growing sport that embraces all ages and is great fun. Weekends can be busy but there are opportunities in the morning and afternoon to book courts. And don't worry we have Padel racquets for hire and balls available to purchase so no excuses !!

**Five-a-side pitches** are also available during the day and great to keep young members, friends and visitors busy.

Or, if it's just a casual stroll you fancy, why not check out the new Woodlands Walkway around the pitches and join us for a Coffee, Smoothie, Ice Cream or a Treat in **Après Coffee**, plenty of seating downstairs or on the balcony.

Don't forget our **Bar** is open Wednesday to Sunday and all the big sports events are shown. **Our Food Partner Puck** is always here with great food to cater for small to larger gathering and functions. Check them out for more info.

So, there is a lot happening in the **PSLC** this summer for **Members** and **Visitors** so please keep us in mind, maybe try something New and bring a friend along to enjoy are fabulous local facility.
