

PSLC February News.

Spring is in the Air!!

It may not be Spring yet but there is a Spring in the steps of everyone in the **PSLC**. We have been so busy as new year resolutions are still going strong with clubs and members keeping healthy and preparing for the spring /summer events, competitions, and fun.

We have also been busy upgrading and commissioning our new computer software system called **Gladstone**. Gladstone software has been providing innovative Management systems for more than 40 years to Leisure Centres and Health Clubs across Ireland.

Huge work is going on behind the scenes for the last number of months and we now have our back-office system completed which will give us much better insights into managing the club and for future planning.

This is only **Phase One** ...rolling on from the back office we will be **Phase Two** which will launch our new **PSLC Member App** this will ensure members are the first to know about **Best Deals** and **First Options** on all activities in the **PSLC** ... more on this **very soon**.

We will also be introducing soon our New Membership structure which will be more simplified for everyone to use and sustainable for the future of the **PSLC** and its Members.

The **Fingal Sports Awards** took place on Monday 27th January honouring the exceptional contributions of sports volunteers and clubs across the county

It's been great to see the Buzz in the Bar during all the major sports events. Remember all the **Six Nations Rugby** matches, and big **Soccer Games** are all shown live in the **PSLC Bar**. We now have a number of alcohol-free drinks including Guinness 00 and Heineken 00. Plus, Puck have a great selection of **Match Day Food Options**. Get here early for the best seats and enjoy the atmosphere.... it's all here on your doorstep in the **PSLC**.

Why not treat yourself to something delicious from the **PUCK menu**, and if you're planning a function big or small in the **PSLC**, PUCK have a whole range great food options to suit everyone. Remember you can order takeaway from the Puck **Food Truck** or order to eat in at the **PSLC** bar.

If you haven't tried it call up and see what you have been missing and at the same time you will be supporting a local business and the **PSLC**.

Did you know **Puck** also do **Home Catering** with menus to suit all tastes? Ideal for your family gathering and events. Call in to see them for more details and how they can make your event hassle free.
